Exotic

Ardian Bujupi

Cool me down
I'm feeling so exotic
Yaa right now..
I'm hotter than the tropics
Take me down (Mr. Worldwide)
Mumbai Cuba baby let's go (Priyanka)
La-love me all the way o Rio
(Desi girl)
I'm feeling so exoticTumko jo dekha maine
Toh maine ye jaan liya hai
Pardesi babu ne
Iss desi dil ko maan liya hai (x2)I'm like Bon Jovi..
In music game i'm more of a dead than alive
But that's okay, i live with it
That's why I live everyday like my last
Priyanka step on gas
From Morocco to Mumbai
Bollywood, Hollywood is all about the money
Hey!Baby it's so beautiful
Must just play and see
But if you want the world
I suggest you come with me (come with me)
La-la la la la... (Come with me)
La-la la la la...Cool me down
I'm feeling so exotic
Yaa right now
I'm hotter than the tropics
Take me there
Mumbai Cuba baby let's go
La-love me all the way to Rio (x2)

I'm feeling so exoticTumko jo dekha maine
Toh maine ye jaan liya hai
Pardesi babu ne
Iss desi dil ko maan liya hai (x2)To Cuba's free
