

What Would You Do (if I Did That To You)

Steppenwolf

Francen-PorterAhh saw me walkin the other day
he saw me comin said get outta my way
He told me that I was in the wrong groove
He told me that I would have to moveI looked at him ah right in the eye
Ah say hey man! Tell me why
He said I was different
didnt fit in his grace
'cause all the people round
got the same kinda faceWhat would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you YeahI went to see mah baby
ta give me some love
I needed some understandin
I need it so much
I went to see mah baby
ta give me some love
The sugah that she gave me
I couldnt get enoughWell she wouldnt see me
she didnt have time
Cause she found a new man
with better lovin than mine
I couldnt get her ta see me
she closed her front door
She told me it was over
I was free once moreWhat would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you hey hey hey hey
What would you do
if I did that to you ahhWhat would you do
Hey what would you do now
What would you do
if I did that to youWhat would you do
What would you do now
What would you do
if I did that to youWhat would you do

What would you do now
What would you do
if I did that to youWhat would you do
What would you do now
What would you do
if I did that to you...
