Astray: Lyrics and Music - Luke Fortner

Verse 1:
Where do I Turn
Where do I Go
I need your guiding light
As I put up this fight
To Overcome the darkness
Surrounding my life

Chorus:
Donâ€™t Let me Go
Im giving you control
Show me your direction
Iâ€™m letting go
I wanna live for you
every day
Oh just
Give me the trust
Keep me from going Astray

Verse 2:
When my flesh begins to fail
And Iâ€™m going Astray
I need you in my life
Each and Every Day
This world is like an Anchor
Pulling me the other way

Bridge:
Where do I Go
Where do I Turn
Guide me to you
and pull me through
