

# Moving

## Suede

Shame on me  
Well, I had the beast you see  
And if he can take it  
I can take him home with me  
Shame on her  
She's a lovely little number  
And when we go lassoing, you get lassoed, all of you  
If you can take it, I can take it  
And we're moving, so moving  
So we are a boy, we are a girl  
So moving, so moving  
Shame on the girl  
She's got a big black dog in her  
And while tough kids sing about tough kids  
She just skins the world  
We'll never, never play the harp  
And we'll stick like sick on the stars  
And if you can take it, I can take these stones from my heart  
If you can take it, I can take it  
And we're moving, so moving  
So we are a boy, we are a girl  
So moving, so moving  
If you can take it, I can take it, all of me  
If you can take it, I can take it all  
If you can take it, I can take it, all of me  
If you can take it, I can take it all
