Rollin' the dice
Never thinkin' twice
She took my breath away
And now it's time to pay I got all my money on thirteen black tonight, yeah
She's a sweet senorita, a real man eater
She ain't gonna let me get home alive Blackjack
She's a hell of a thrill
Blackjack
She's makin' a kill Fever runnin' high
I got aces in my eyes
She's got somethin' up her sleeve
As I watch my chips bleed I got all my money on thirteen black tonight, yeah
She's a sweet senorita, a real man eater
She ain't gonna let me get home alive Blackjack
She's a hell of a thrill
Blackjack
She's makin' a kill She's a hell of a thrill
She's makin' a kill
She's a hell of a thrill
She's makin' a kill
Blackjack She's a hell of a thrill
She's makin' a kill
She's a hell of a thrill
She's makin' a kill Blackjack
She's a hell of a thrill
Blackjack
She's makin' a kill Blackjack
She's a hell of a thrill
Blackjack
She's makin' a kill Blackjack, blackjack, blackjack
Blackjack, blackjack
Blackjack, blackjack
