Missing You Tonight

Striking Matches

don't hang up
I just wanted to hear your voice
I know we said
we'd give it some time
I don't wanna start a fire
and I don't wanna start a fire
I was just missin you tonight
I was just missin you tonight
forgive me if I
come on too strong
I really don't mean to
I know you're right
and we're wrong this can never work
and I don't wanna start a fire
and I don't wanna start a fight
I was just missin you tonight
I was just missin you tonight
I was just missin you
wishin you were here and I don't know why
I was just missin you tonight
oh and if we stat that fire
it'll burn us every time
I was just missin you
I was just missin you
I was just missin you tonight
I was just missin you tonight
I was just missin you tonight
I was just missin you tonight
