The Temples Of Syrinx

Rush

We've taken care of everything
The words you hear, the songs you sing
The pictures that give pleasure to your eyesIt's one for all and all for one
We work together, common sons
Never need to wonder how or whyWe are the priests of the temples of Syrinx
Our great computers fill the hallowed halls
We are the priests of the temples of Syrinx
All the gifts of life are held within our wallsLook around at this world we've made
Equality our stock in trade
Come and join the brotherhood of manOh what a nice, contented world
Let the banners be unfurled
Hold the red star proudly high in handWe are the priests of the temples of Syrinx
Our great computers fill the hallowed halls
We are the priests of the temples of Syrinx
All the gifts of life are held within our walls
