Stop Whispering

Radiohead

And the wise men say, "I don't want to hear your voice"
And the thin men say, "I don't want to hear your voice"
And they're cursing me, and they won't let me be
And there's nothing to say, and there's nothing to doStop whispering, start shouting
Stop whispering, start shoutingAnd my mother say, "We spit on your son some more"
And the buildings say, "We spit on your face some more"
And the feeling is that there's something wrong
'Cause I can't find the words, and I can't find the songsStop whispering, start shouting
Stop whispering, start shoutingDear sir, I have a complaint
Dear sir, I have a complaint
Can't remember what it is
Doesn't matter anyway
Doesn't matter anywayStop whispering, stop whispering
Stop whispering, stop whispering
Stop, stop
