

# Just For Your Love

K-ci & Jojo

For your love  
Baby I'm like a sad man, I knew I was wrong  
But when I told you all those lies, huh  
I was a fool to make 'em, I was a big fool  
But you got to believe me when I say I loved you  
For your love, I would do anything baby  
For your love, I would go anywhere honey  
And just for your love, I would do anything baby  
For your love, I would do anything, listen  
I see the tears, I caused you to cry  
Now I know it was a mistake when I lied, baby  
Not a day goes by, I don't wish to see your eyes  
I wish I could bring you back my way, everyday for your love I pray  
For your love I would do anything baby  
For your love I would go anywhere honey  
And just for your your love I would do anything baby  
For your love I would do anything  
Listen, listen, listen baby  
It's been a while, since I felt your embrace  
Things are so sad in my dreams  
All I see is, all I see is your face, baby  
I dream about the day  
You said goodbye, yeah  
For your love, I'll climb any mountain  
It doesn't matter, how high baby  
For your love, I would do anything baby  
For you love, I would go anywhere honey  
And just for you love, I would do anything baby  
For your love, I would do anything  
JoJo help me sing it, JoJo, JoJo  
Anywhere, anywhere, anywhere anywhere  
Anywhere, anywhere, anywhere, anywhere, anywhere  
Anything you want from me  
Anything you need from me  
Anything you need, anything you need from me  
Anything you need and anything  
Any song you want me to sing  
If I can play it, baby darlin' she'll sing  
Anything you want from me

And I'll do it for you  
For your love  
For your love  
And just for your love  
For your love I would do anything  
For your love, I would do anything baby  
For your love, I would go anywhere honey  
And just for your love, I would do anything baby  
I'll do it for you, for your love I would do anything
