

Let's Bang

Shaka Ponk

Saturday night in a dancing house I say (yeah yeah yeah yeah)
Storming boys staring at my eyes I say (yeah yeah yeah yeah)
You're the one I like
I wanna share my story tonight
Big mama you're my kind
Gimme a part of your precious time Hey you're the one I like
I wanna share your love tonight
I wanna smoke your special thing
Let's bang bang bang You'd better do your dance
You'd better take that chance
You'd better move your butt
You gotta show me what you got
You wanna check this man
Jump on the line
You gotta shake that ass
If you wanna have mine
It's soon the perfect time
I'm sounding lighter
You wanna hang, wanna hang
So do the dance and
Bang bang bang bang bang Do the dance mate and I lose cabeza
Yeah yeah yeah yeah
You get my ass with the troubleshoot styla
Yeah yeah yeah yeah
I wanna get naughty and no wanna doubt
Yeah yeah yeah yeah
The boys over the rainbow is just what I want
Yeah! yeah! yeah! Hey yo chic-chica you wanna hang out with the jerk?
So bring your ass to table!
Wanna hang wanna hang
So do the dance and
Bang bang bang bang bang! I kill yo, I kill yo, I kill yo yo yo, I kill yo
