Let's Bang

Shaka Ponk

Saturday night in a dancing house I say (yeah yeah yeah) Storming boys staring at my eyes I say (yeah yeah yeah)

You're the one I like

I wanna share my story tonight

Big mama you're my kind

Gimme a part of your precious timeHey you're the one I like

I wanna share your love tonight

I wanna smoke your special thing

Let's bang bang You'd better do your dance

You'd better take that chance

You'd better move your butt

You gotta show me what you got

You wanna check this man

Jump on the line

You gotta shake that ass

If you wanna have mine

It's soon the perfect time

I'm sounding lighter

You wanna hang, wanna hang

So do the dance and

Bang bang bang bang bangDo the dance mate and I lose cabeza

Yeah yeah yeah yeah

You get my ass with the troubleshoot styla

Yeah yeah yeah yeah

I wanna get naughty and no wanna doubt

Yeah yeah yeah yeah

The boys over the rainbow is just what I want

Yeah! yeah! Hey yo chic-chica you wanna hang out with the jerk?

So bring your ass to table!

Wanna hang wanna hang

So do the dance and

Bang bang bang bang! I kill yo, I kill yo, I kill yo yo yo, I kill yo
