

# Quickie

## Shawn Desman

She said hey hey hey boy  
Did you ever see a girl like me  
That can move her body like me  
Packin' junk in the trunk like me  
I said hey hey hey girl  
Let's take it nice and easy  
Already like what I see  
By the way my name's Shawn D  
She didn't come for the conversation  
Look she ain't playin' around cause  
This girl just wanna take me for a  
Quickie (oh) quickie (oh) quickie (oh)  
She said let's go to the back and let's get  
Busy (oh) busy (oh) busy (oh)  
She said hey hey hey boy  
You ain't never met a freak like me  
Satisfy your every need  
Still keepin' it so classy  
I said hey hey hey girl  
If that's how it's gonna be  
You ain't gotta convince me  
Just tell me when you wanna leave  
She didn't come for the conversation  
No she ain't playing around cause  
This girl just wanna take me for a  
Quickie (oh) quickie (oh) quickie (oh)  
She said let's go to the back and let's get  
Busy (oh) busy (oh) busy (oh)  
And she ain't even tryin' to get to  
Know me (oh) know me (oh) know me (oh)

This girl she just wanna take me for a  
Quickie (oh) quickie (oh) quickie (oh)  
So let's get busy singin'  
Ah ah oh  
Ah ah ah oh  
Shorty's gettin' ready to go oh oh  
Singin' ah ah oh  
Ah ah ah oh

And she ain't leavin' a-lo-o-one  
Singin' ah ah oh ah ah oh (She wanna get, she wanna get, she wanna get, busy)  
She wanna get  
She wanna get  
She wanna get, busy  
Singin' ah ah oh ah ah oh (She wanna get, she wanna get, she wanna get, busy)  
This girl just wanna take me for a  
Quickie (oh) quickie (oh) quickie (oh)  
She said let's go to the back and let's get  
Busy (oh) busy (oh) busy (oh)  
And she ain't even tryin' to get to  
Know me (oh) know me (oh) know me (oh)  
This girl she just wanna take me for a  
Quickie (oh) quickie (oh) quickie (oh)  
Let's get busy yeah  
Singin' ah ah oh  
Ah ah ah oh  
Now she's ready to go oh oh  
Singin' ah ah oh  
Ah ah ah oh  
And I'm ready to go oh oh
