867

Iration

It's been 8 weeks 6 days 7 hours
Since you took my life away
Standing underneath a street light
Hoping you don't notice me
Making sure that he doesn't stay
And I just can't believe it's real
Can't believe you couldn't feel
Just know that I won't let another man steal what's mine
Just need a little time
And I know there can't be much more to sayCuz all you do is talk talk talk
Why won't he just take a walk walk walk?
Can't take what's mine mine mine
I'm just looking for a sign I just need a little time
867 watching the clock tick
You say you're moving on but the words don't stick
You need a man to give you what you need
867 reasons that's me 8 weeks 6 days 7 hrs
Since you made the great mistake
You said we were moving too fast
but I know the truth's that
what you feel is more than your heart can take
And I know you're just playing games
But inside you feel the same
Now lie and tell him that you're glad that he came
Cuz your mine I just need a little time
And I know that there can't be much more to sayCuz all you do is talk talk talk
Why won't he just take a walk walk walk?
Can't take what's mine mine mine
I'm just looking for a sign I just need a little time
867 watching the clock tick
You say you're moving on but the words don't stick
You need a man to give you what you need
867 reasons that's me 867 watching the clock tick
You say you're moving on but the words don't stick
You need a man to give you what you need
867 reasons that's me
