Born To Be Lucky

Jim Reeves

Just born to be lucky
As the gamblin' man must be
Born to be lucky
With a million, that's for me.

Born to be lucky
In a country, white and free
They just call me
Lucky Jim from Tennessee.

Born to be lucky
Lucky, happy and free
Just born to be a lucky
Gamblin' man from Tennessee.

Just born to be lucky
Lucky, happy and free
Just born to be a lucky
Gamblin' man from Tennessee.

Born to be lucky
In silence or in love
Born to be lucky
'Neath the lucky star above.

Born to be lucky
For the girl who fancy's me
'Cause she knows I'm
Lucky Jim from Tennessee.

Born to be lucky
Lucky, happy and free
Just born to be a lucky
Gamblin' man from Tennessee.

Just born to be lucky
Lucky, happy and free
Just born to be a lucky
Gamblin' man from Tennessee...
