

# Deeper Understanding

Nivek Tsoy

As the people here grow colder, I turn to my computer  
And spend my evenings with it like a friend  
I was loading a new programme  
I had ordered from a magazine  
Are you lonely, are you lost?  
This voice console is a must  
I press execute  
Hello, I know that you've been feeling tired  
I bring you love and deeper understanding  
Hello, I know that you're unhappy  
I bring you love and deeper understanding  
Well, I've never felt such pleasure  
Nothing else seemed to matter, I neglected my bodily needs  
I did not eat, I did not sleep, the intensity increasing  
'Til my family found me and intervened  
But I was lonely, I was lost  
Without my little black box  
I pick up the phone and go, execute  
Hello, I know that you've been feeling tired  
I bring you love and deeper understanding  
Hello, I know that you're unhappy  
I bring you love and deeper understanding  
Hello  
Love and deeper understanding  
I turn to my computer like a friend  
I need deeper understanding  
Give me deeper understanding  
[Inaudible]
