Paralyzed

Drowning Pool

I can feel the rain drops
(The rain drops)
Running down my back
The words you used to ruin me
You ruin me
And I remember
The rain in my eyes
The day you turned and ran away
You ruin me
I, I feel paralyzed
You leave me here broken
I, I feel paralyzed
You leave me so broken
Can you make the pain stop?
(The pain stop)
Swallow all those thoughts
You used to have that crippled me
You ruin me
Can you remember
The pain in my eyes
The day you turned and ran away?

You ruin me
I, I feel paralyzed
You leave me here broken
I, I feel paralyzed
You leave me so broken
You keep me tied down
You're stealing my crown
You leave me hopeless
I, I feel paralyzed
I, I feel paralyzed
You leave me here broken
I, I feel paralyzed
You leave me so broken
You keep me tied down
You're stealing my crown
You leave me hopeless
I, I feel paralyzed

I feel paralyzed
I feel paralyzed
