

# Call Me Manana (Heavy Horses Radio)

## Scooter

Las Rocas donde siempre ibamas, maÃ±ana  
Start it right, keep it up Yeah, I used to say, when we were starting up  
Now I represent it 's still the busy job  
Ready to explore and check the microphone  
Now back on the floor I want to see you soon Rocking the business so come on and check this  
Get up tonight we gonna make it right  
Rocking the business so come on and check this  
Get up tonight we gonna make it right  
Rocking the business so come on and check this  
Get up tonight we gonna make it right  
Rocking the business so come on and check this  
Yes, so call me maÃ±ana  
Get up Yeah, I've got some lyrics, some lyrics for ya  
Now I represent, since the day I saw ya  
Yes, I'm the man behind the mic  
Live and direct into your mind Rocking the business so come on and check this  
Get up tonight we gonna make it right  
Rocking the business so come on and check this  
Get up tonight we gonna make it right  
Rocking the business so come on and check this  
Get up tonight we gonna make it right  
Rocking the business so come on and check this  
Yes, so call me maÃ±ana Yes push the beat for this jam  
We have a question  
Is anybody out there? I want to see you, clap your hands  
Push the beat for this jam  
Ayayayay, yyyeeehhhhhh  
One more time aaaaahhhhhh get up  
Come on, hardcore, maÃ±ana, adios
