

# Heart Of Glass

Mirza-Zadeh

Once I had a love and it was a gas  
Soon turned out had a heart of glass  
Seemed like the real thing, only to find  
Much of mistrust, love's gone behind  
Once I had a love and it was divine  
Soon found out I was losin' my mind  
It seemed like the real thing but I was so blind  
Much of mistrust, love's gone behind

In between

What I find is pleasing and I'm feelin' fine  
Love is so confusing there's no peace of mind  
If I fear I'm losin' you it's just no good  
You teasing like you do

Once I had a love and it was a gas  
Soon turned out had a heart of glass  
Seemed like the real thing, only to find  
Much of mistrust, love's gone behind

Lost inside

Adorable illusion and I cannot hide

I'm the one you're using, please don't push me aside

We could-a made it cruising, yeah  
Yeah, ridin' high on love's true bluish light

Once I had a love and it was a gas  
Soon turned out had a heart of glass  
Seemed like the real thing, only to find  
Much of mistrust, love's gone behind

In between

What I find is pleasing and I'm feelin' fine  
Love is so confusing there's no peace of mind  
If I fear I'm losin' you it's just no good

You teasing like you do

It's just no good

You teasing like you do

It's just no good

You teasing like you do
