

# Water

## Yowler

Got to disappear in some great void of water  
Want to be arrested by the sound  
Under sheets of metal  
Underneath it all  
I am nothing,  
I am but a shape Galleries of water  
Underneath the length of her  
Doesn't matter what I say, she will always be here Put the pieces in there, watch them disappear  
Worthless to be able, it is lost in the sound  
Extricate the battle by just saying nothing  
Got to be more careful of this Hell  
Galleries of water  
Underneath the length of her  
Doesn't matter what I say, she will always be here  
She won't go away
