

Germaniac

Die Krupps

"No making friends, no human contact with the Germans who by the war crimes
They have committed place themselves outside of the society of civilized nations""No making friends, no
human contact with the Germans"

Micro-precision and heart full of steel

Strategic kindness, mechanic feel

Logical passion, pre-planned joy

Controlled madness, the world is just a toyConcrete emotions, artificial tears

Dog-faced devotion, one thousand years

Perfuse perfection, dishonest smile

Malicious action, vicious and vileGermaniac!

Mad in Germany

Germaniac!

To rule the world
