## **The Common Divided**

## **Plan Three**

Are you coming down to watch me go?

There's something wrong about this road

The way it turns

Lady luck played us outThere's something naked out of touch

Something's fading, something's lost

Is that alright?

Nothing is here to growWho was I a week ago

I don't think I'll ever know

But it's alright

Everything's changingJust hold your breath and you will find

There's a way to leave it all behind

We are the common divided

With the thunder rolling from the sea

There's a storm that hits so sing with meWhoa-oh, Whoa-oh-oh!

Whoa-oh, Whoa-oh-oh! This is where we use to turn

It brings another stain to the curve

I wipe my eyes

The colors are fading slowAre you coming down to watch me go?

Lights are blinding on this road

I'm losing touch

When do I hit the ground?'Cause I don't think i'll ever sleep

Lay another hand on me

'Cause it's alright

Everything's changingJust hold your breath and you will find

There's a way to leave it all behind

We are the common divided

With the thunder rolling from the sea

There's a storm that hits so sing with meWhoa-oh, Whoa-oh-oh!

Whoa-oh, Whoa-oh-oh! Are you coming to see me rise?

I don't think you can

And I don't think you will, no Are you coming to see me rise?

I don't think you can

And I don't think you willJust hold your breath and you will find

There's a way to leave it all behind

We are the common divided

With the thunder rolling from the sea

There's a storm that hits so sing with meWhoa-oh, Whoa-oh-oh!

Whoa-oh, Whoa-oh-oh!

Whoa-oh, Whoa-oh-oh!

Whoa-oh, Whoa-oh-oh! Whoa-oh, Whoa-oh!
