

Search And Destroy

Peaches

I'm a street walking cheetah
With a heart full of napalm
I'm a runaway son
Of the nuclear A-bomb
I am the world's forgotten boy
The one who searches and destroys
Honey, you gotta help me, please
Somebody better save my soul
Baby, detonate for me, ohh
Look out honey, 'cause I'm using technology
Ain't got time to make no apologies
Soul radiation in the dead of night
Love in the middle of a fire fight
Honey, gotta strike me blind
Somebody better save my soul
Baby, penetrate my mind, ohh
And I'm the world's forgotten boy
The one who's searches, searches to destroy
I'm, I'm the world's forgotten boy

The one who's searches, searches to destroy
Hey, hey, hey, hey
Hey, hey, hey
Look out honey, 'cause I'm using technology
Ain't got time to make no apologies
Soul radiation in the dead of night
Love in the middle of a fire fight
Honey, gotta strike me blind
Somebody better save my soul
Baby, penetrate my mind
And I'm the world's forgotten boy
The one who's searches, searches to destroy
And I'm the world's forgotten boy
The one who's searches, searches to destroy
Forgotten boy, forgotten boy
Forgotten boy, forgotten boy
Forgotten boy, forgotten boy
Forgotten boy, forgotten boy
