

# Powerslave

## Ancient Wisdom

Into the abyss I'll fall the eye of Horus  
Into the eyes of the night watching me go  
Green is the cat's eye that glows in this temple  
Enter the risen Osiris risen again Tell me, why I had to be a powerslave?  
I don't wanna die, I'm a God, why can't I live on?  
When the life giver dies, all around is laid to waste  
And in my last hour, I'm a slave to the power of death When I was living this lie, fear was my game  
People would worship and fall drop to their knees  
So bring me the blood and red wine for the one to succeed me  
For he is a man and a God and he will die too Tell me, why I had to be a powerslave?  
I don't wanna die, I'm a God, why can't I live on?  
When the life giver dies, all around is laid to waste  
And in my last hour, I'm a slave to the power of death Now I am cold, but a ghost lives in my veins  
Silent the terror that reigned marbled in stone  
A shell of a man God preserved a thousand ages  
But open the gates of my Hell and I'll strike from the grave Tell me, why I had to be a powerslave?  
I don't wanna die, I'm a God, why can't I live on?  
When the life giver dies, all around is laid to waste  
And in my last hour, I'm a slave to the power of death  
Slave to the power of death  
Slave to the power of death
