

Lady

Fela Kuti

I'm crazy for this little lady
I'm freaking for my little baby
'Cause she makes me feel good
She's so fine
Don't need all my other ladies
I'm beggin' for this little lady
'Cause I tell you she's cool
She's divine
I know she's a super lady
I'm weak and I've gone hazy yeah
I'm crazy for that lady
She's chic but she's not shady yeah
Sophisticated lady
And she makes me feel good
She's so fine
Never knew there was such a lady
That would make me want to straighten
Out my life at this time but I find
I'm thinkin' 'bout this pretty lady
I would love her good as my own baby
'Cause you know she's no fool
She's refined
I know she's a super lady
I'm weak and I've gone hazy yeah
I'm crazy for that lady
She's chic but she's not shady yeah
Sophisticated lady
And she makes me feel good
She's so fine
Yeah
Don't you know she blows my mind
All the time
'Cause she makes me feel good
Like a real woman should
Yeah
She's so mine
Yeah
I'm weak and I've gone hazy yeah
I'm crazy for that lady

She's chic but she's not shady yeah

Sophisticated lady

And she makes me feel good

And she makes me feel good

And she makes me feel good

She's so fine

Yeah

Don't you know she blows my mind

All the time

And she makes me feel good

Like a real woman should

Yeah

All the time

Yeah

Yeah Yeah Yeah Yeah
