

Breathe (In the Air) [Live]

David Gilmour

Breathe, breathe in the air.

Don't be afraid to care.

Leave, don't leave me.

Look around and choose your own ground. Long you live and high you fly

smiles you'll give and tears you'll cry

all you touch and all you see

Is all your life will ever be. Run, rabbit run.

Dig that hole, forget the sun,

And when at last the work is done

Don't sit down it's time to dig another one. For long you live and high you fly

But only if you ride the tide

And balanced on the biggest wave

You race towards an early grave.
