

# Come On Over

## Veronica Falls

Get a life, get a grip  
Get away somewhere, take a trip  
Take a break, take control  
Take advice from someone you know, oh  
Come on over, come on in  
Pull up a seat, take a load off your feet  
Come on over, come on in  
You can unwind, take a load off your mind  
Make a wish, make a move  
Make up your mind, you can choose  
When you're up, when you're down  
When you need a laugh come around, oh  
Come on over, come on in  
Pull up a seat, take a load off your feet  
Come on over, come on in  
You can unwind, take a load off your mind  
Oh ooo oh  
Oh ooo oh  
Oh ooo oh  
Be a winner, be a star  
Yeah be happy to be who you are  
Gotta be yourself, gotta make a plan  
Gotta go for it while you can, yeah  
Come on over, come on in  
Pull up a seat, take a load off your feet  
Come on over, come on in  
You can unwind, take a load off your mind  
Get a life, get a grip  
Get away somewhere, take a trip  
Take a break, take control  
Take advice from someone you know, oh  
Come on over, come on in  
Pull up a seat, take a load off your feet  
Come on over, come on in  
You can unwind, take a load off your mind, yeah  
You come on over, you come on in  
You come on, come on in  
When I say yeah yeah  
Oh ooo oh

No no no  
Come on over, come on in
