

Is It Raining in Your Mouth?

Fat White Family

But don't you know I need a little bit more of that right now, so don't you gooooo.
Tell me that you just aint ready to go, because here you gooooo.I was born to have it,
and you were born to take it,
so tell me baby is it raining it in your mouth?Hell hath no fury like a failed artist
or a successful communist
But that aint no excuse to treat my purple fury quite like a big black abyssI was born to have it,
and you were born to take it,
so c'mon baby, is it raining it in your mouth?
