Say The Word

Christy Carlson Romano

All you have to do is, say the word
I'm there
I'm on it, I've got it, I can do anything
What you need, got your back
Just say the word, I'm there
If you find your world is cavin' in
You can bet you're gonna need a friend
Someone to take those fears away
Say the word, make a call and I'll be there
Anytime, anywhere have you heard
That I'm all about savin' your world
All you have to do is say the word
In trouble, in it deep this is a promise that I can keep
Make it right, count on me to be the best friend I can be
When your life is bending upside down
I'll be the one to turn it around

Say the word make a call and I'll be there
Anytime, anywhere have you heard
That I'm all about savin' your world
All you have to do is say the word
(Say the word)
If you find your world is cavin' in
You can bet you're gonna need a friend
You will fly or I will take your fears away
Say the word make a call and I'll be there
Anytime, anywhere have you heard
That I'm all about savin' your world
All you have to do is say the word
Dial the number, call my name
Day or night, it's all I need
Say the word 'cuz I'm all about savin' your world
All you have to do is say the word
