

# Say The Word

Christy Carlson Romano

All you have to do is, say the word  
I'm there  
I'm on it, I've got it, I can do anything  
What you need, got your back  
Just say the word, I'm there  
If you find your world is cavin' in  
You can bet you're gonna need a friend  
Someone to take those fears away  
Say the word, make a call and I'll be there  
Anytime, anywhere have you heard  
That I'm all about savin' your world  
All you have to do is say the word  
In trouble, in it deep this is a promise that I can keep  
Make it right, count on me to be the best friend I can be  
When your life is bending upside down  
I'll be the one to turn it around

Say the word make a call and I'll be there  
Anytime, anywhere have you heard  
That I'm all about savin' your world  
All you have to do is say the word  
(Say the word)

If you find your world is cavin' in  
You can bet you're gonna need a friend  
You will fly or I will take your fears away  
Say the word make a call and I'll be there  
Anytime, anywhere have you heard  
That I'm all about savin' your world  
All you have to do is say the word  
Dial the number, call my name  
Day or night, it's all I need  
Say the word 'cuz I'm all about savin' your world  
All you have to do is say the word
