Who We Are (zaycev.net)

Red

We were the ones who weren't afraid
We were the broken hearted
We were the scars that wouldn't fade away
How did we let go
how did we forget that we don't have to hide
We won't believe the lies again
We won't be paralyzedWe can be who we are
Now we are alive
We can fight they cannot contain us
It's who we are
We are undying
We are foreverWe won't hide our faces from the light
Eliminate the space between us
It's who we are
We are forever
It's who we areWe were the tears that passion cried
We were the sacrifice
We were the flame that wouldn't die inside
How did we go wrong
We will not forget
We will not be left behind
We won't give up the fight again
We won't be deniedWe can be who we are
Now we are alive
We can fight they cannot contain us
It's who we are
We are undying
We are foreverWe won't hide our faces from the light
Eliminate the space between us
It's who we are
We are forever
It's who we areWe will never die
We will never die
We will not deny
Now we are aliveWe can be who we are
Now we are alive
We can fight they cannot contain us
It's who we are
We are undying

We are foreverWe won't hide our faces from the light
Eliminate the space between us
It's who we are
We are forever
It's who we are
