I'll Do It All Over Again

Crystal Gayle

Was I right, was I wrong?
A little too weak, a little too strong?
Was it him? Was it me?
Oh I guess I'll never knowWere you're up, then you're down
Oh but the world keeps turning around
Ain't it hard to find
Something to hang on toBut I know, that my heart will mend
And I know, that I'll smile again
I'll be back, on my feet and then
I'll do it all over againSome you lose, some you win
They say that's the way it's always been
First you laugh, then you cry
Oh but I guess that's lifeSo you live and you learn
And never look back at the bridges you burn
And you change, somehow
Oh I'm a little bit wiser nowBut I know, that my heart will mend
And I know, that I'll smile again
I'll be back, on my feet and then
I'll do it all over againBut I know, that my heart will mend
And I know, that I'll smile again
I'll be back, on my feet and then
I'll do it all over again
I'll do it all over again
