

# Yo (excuse Me Miss)

Chris Brown

Ooh  
Do do, do do do  
Yeah, yeah Tell me fellas have you seen her?  
(Seen her)  
It was about five minutes ago  
When I seen the hottest chick  
That a young'n never seen before I said yo, tell her girls I want to meet her  
(Meet her)  
On a second thought that ain't the way to go  
I got give her game proper  
Spit it so she get it there she is I got to stop her Or should I talk about her smile?  
(It's been said before)  
Or what about her style?  
(Too obvious)  
I'm out of time, she's out the door  
I got to go for mine, I think I'll say yo I don't know your name but excuse me, miss  
I saw you from across the room  
And I got to admit that you got my attention  
You're making me want to say yo I know you're trying to leave but excuse me, miss  
I saved the last dance for you  
How I'd love to keep you here with me, oh baby Now, shorty, grab hold of my hand  
And let's pretend the floor is ours  
You say you don't really dance  
Don't worry about it, we'll just  
One two step, one two step Now if the music is moving too fast  
(Too fast)  
Grab my hand a little tighter  
(Tighter)  
Don't be afraid to move a little closer Girl, there is something about you  
That makes me want to say, yo  
I don't know your name but excuse me miss  
I saw you from across the room And I got to admit that you got my attention  
You're making me want to say yo I don't know your name but excuse me, miss  
I saw you from across the room  
And I got to admit that you got my attention  
You're making me want to say yo I know you're trying to leave but excuse me, miss  
I saved the last dance for you  
How I'd love to keep you here with me, oh, baby  
I think I'll say yo I don't know your name but excuse me, miss

I saw you from across the room  
And I got to admit that you got my attention  
You're making me want to say yoI know you're trying to leave but excuse me, miss  
I saved the last dance for you  
How I'd love to keep you here with me, oh, babyI want to be where you are  
Ain't nothing wrong with dancing  
Baby, it's so romantic  
Baby, I can be in your heartSo many things I want to tell you  
I think that I should start by saying yoI don't know your name but excuse me, miss  
I saw you from across the room  
I got to give her game proper  
Spit it so she get it, there she is I got to stop herI know your trying to leave but excuse me, miss  
I saved the last dance for you  
How I'd love to keep you here with me, oh, babyNow everybody just clap your hands like this  
(Like this)  
Just clap your hands like this  
(Whoa like this)And if your shorty in the house tonight  
Just grab her by the hand, homie  
Make her understandY'all was made to dance like this  
(Like this)  
Y'all was made to bounce like this  
(Whoa like this)  
Just let her know she was made for you  
And you want to do everything she want to man
