

# The One

## The Chainsmokers

You know, I'm sorry  
I won't make it to your party  
Got caught up in my own selfishness  
It won't let me be a part of this  
And I know I've started  
Drifting off every second  
I can't wait to leave as soon as I arrive  
I count the secondsDown and down we go  
We'll torch this place we know  
Before one of us takes a chance  
And breaks this, I won't be the one  
No, I won't be the oneI know it's pathetic  
Fuck it, yeah, I said it  
Tried to tell it like it is  
There's a chance that I'll regret it, so  
Let's go, let's end this  
I delete before I send it  
And we can play pretend  
Like we haven't reached the end yetDown and down we go  
And we'll torch this place we know  
Before one of us takes a chance  
And breaks this, I won't be the one  
No, I won't be the one
