

Water's Edge

Seven Mary Three

"don't go there" I heard her say
"you can't stomach what you're going to see"
It's down there, by the water's edge
wasted and bloated and waiting for someone elsefunny how, these things come about
when you're tied to the teeth and mouth
no sound of fury, no shot of pain
there was no real reason, no gainI can't go down to the water's edge
I didn't do it...I saw who did
Don't go down to the water's edge
they did it once and they can do it againit ain't no secret to me
how she got there down by the stream
I'd seen her the minute before the van pulled up and opened
the door (took all my love)but I can't say a single word
about what I saw of her
her killers...they got their friends
in familiar places, I tell you manthis ain't no fucking game
and I'm feeling so ashamed
because I didn't do anything
no I didn't do anything
to stop this from happeningI didn't do a thingI swear
