

On the Sunny Side of the Street

Barry Manilow

Grab your coat, don't forget your hat
We'll leave your worries, leave them on the doorstep
My sweet, just direct your feet
To the sunny, sunny side of the street Hop bop a doddle zag, pitter pat
You know that happy tune is my step
Life's all weak if you dig that beat
On the sunny, sunny side of the street Used to walk in the shade with my blues on parade
What a drag old man getting stuck in the shade
Get hit, don't be afraid, move it on over
Feel yourself in the clover Only live for yourself, who cares
Riches like the fella can't be, be
Though thus flame might feel
On the sunny, sunny side of the street
