

Sex For Yo Stereo

Trey Songz

When you see me in the videos baby, do I make yo body go crazy
when you catch me in a magazine baby, do you rip me out and save my page
If my voice comes through yo speakers and yo legs suddenly get weaker this for you
I'm hoping its gone getcha through, til I can get to you Tell me watch ya see, when you think of me
I want this to be just like yo fantasies
Gurl I'm comin over, got some things to show ya
Turn yo stereo up Got some sex fo yo stereo, gurl you wanna bump it
Turn it up don't turn it down, promise that you'll love it
Put yo hands on the radio, don't be scared to touch it
Imagine I was there baby pullin on yo hair
Got some sex fo yo stereo, show me how you'd take it
My words are like hands and I'm singin to ya naked
Got some sex fo yo stereo, gurl you wanna bump it
Turn it up don't turn it down, promise you go love it Now my ladies in the back make some noise (I see ya)
It don't matter where ya are. In da crib, at yo job, or in da car
It for you (this is for you) Where ever you can stick me in (stick me in)
Just let the record spin
Baby its on you wat ya gonna do, choice is all yours, you can put me in fast forward
We start the record ova (ova)
Can ya feel my words creepin up yo legs, takin off ya clothes Got some sex fo yo stereo, gurl you wanna bump it
Turn it up don't turn it down, promise that you'll love it
Put yo hands on the radio, don't be scared to touch it
Imagine I was there baby pullin on yo hair
Got some sex fo yo stereo, show me how you'd take it
My words are like hands and I'm singin to ya naked
Got some sex fo yo stereo, gurl you wanna bump it
Turn it up don't turn it down, promise that you'll love it Now ya need a lil bass so let me give you a taste
I want you to feel my subwoofa, baby when I give it to ya
Now ya need sum height, so imma make you touch the sky
Oo gurl slide yo body near, gurl take them head phones so I can hear you when you moan
Let me just adjust yo knob, turn it till it I get you hot, get you hot,
get you hot, I wont stop Got some sex fo yo stereo, gurl you wanna bump it
Turn it up don't turn it down, promise that you'll love it
Put yo hands on the radio, don't be scared to touch it
Imagine I was there baby pullin on yo hair
Got some sex fo yo stereo, show me how you'd take it
My words are like hands and I'm singin to ya naked
Got some sex fo yo stereo, gurl you wanna bump it

Yurn it up don't turn it down, promise that you'll love it
