Keep It Close To Me

Superdrag

I want rock 'n roll
But, I don't want to deal with the hassle
I know what I know but
I don't want to feel like an assholeIt's direct, suspect
Insects have launched an invasion
Chosen, frozen
Poison in my vaccination, yeahI'm gonna figure out what's mine
And keep it close to meKeep it close to me
Keep it close to me
Keep it close to me
It's supposed to be, yeah
It's supposed to be, yeahI've got rock 'n roll
And it used to deliver me sweetly
I'm not gullible but
I feel like I've lost it completelyIt's direct, suspect
Insects have launched an invasion
Chosen, frozen
Poison in my vaccination, yeahI'm gonna figure out what's mine
And keep it close to meKeep it close to me
Keep it close to me
Keep it close to me
It's supposed to be, yeah
It's supposed to be, yeahLet's make the most of it right now
Let's make the most of what we've got
God only knows where it came from
Let's make the most of it right nowWhy is it hard to imagine
Making life worth the distraction from now on?I'm gonna figure out what's mine
And keep it close to meKeep it close to me
Keep it close to me
Keep it close to me
It's supposed to be, yeah
It's supposed to be, yeah
