Lips Of An Angel

Jack Ingram

Honey, why you calling me so late?
It's kinda hard to talk right now
Honey, why you crying, is everything okay?
I gotta whisper 'cause I can't be too loudWell, my girl's in the next room
Sometimes I wish she was you
I guess we never really moved onIt's really good to hear your voice saying my name
It sounds so sweet coming from the lips of an angel
Hearing those words, it makes me weakAnd I never want to say goodbye
But girl, you make it hard to be faithful
With the lips of an angelIt's funny that you're calling me tonight
And yes, I dreamt of you too
Does he know you're talking to me?
Will it start a fight?
No, I don't think she has a clueWell, my girl's in the next room
Sometimes I wish she was you
I guess we never really moved onIt's really good to hear your voice saying my name
It sounds so sweet coming from the lips of an angel
Hearing those words, it makes me weakAnd I never want to say goodbye
But girl, you make it hard to be faithful
With the lips of an angelIt's really good to hear your voice saying my name
It sounds so sweet coming from the lips of an angel
Hearing those words, it makes me weakAnd I never want to say goodbye
But girl, you make it hard to be faithful
Those lipsAnd I never want to say goodbye
But girl, you make it hard to be faithful
With the lips of an angel
