Bloodstone

Judas Priest

I've been trying
There's no denying.
It's sending me
Out of my mind.I've seen reason
Change to treason.
It's losing its sense
Of all kind.How much longer will it take
For the world to see.
We should learn to live
And simply let it be.
Bloodstone, bloodstone.In the night time
Wake in fright.
I'm so scared of the game
That's being played.
Start to wonder
What's going under.
And how many deals
Have been made.
