

# Right There (Desi Hits Remix)

Nicole Scherzinger

Fifty, Nicole  
It's just another one  
Another number one I'm complex, difficult to understand  
I don't know if it's me  
Or just to make a brother mad  
I wanna it in the morning  
Bright and early I want it  
I rise as the sunrise  
Baby now get up on it  
Give it to me good  
Shawty work it like you should  
You follow instructions  
Then I follow instructions  
The ultimate seduction  
More kissing and touching  
Feels super natural  
First chance I'm at you Come here baby, hey be my baby  
Hey be my baby oh oh oh  
Come here baby put your hands on my body  
Hands on my body oh oh oh  
Right there keep it right there  
I love when you put it right there, yeah yeah oh oh oh  
Yeah yeah oh oh oh  
Yeah Me like the way that you hold my body  
Me like the way that you touch my body  
Me like the way that you kiss my  
Yeah yeah yeah yeah me like it  
Me like the way that he put it on me  
Me like the way that he push up on me  
Me like the way that he goin' down down down down down Never gonna let no girl take him from me  
Never gonna let no girl steal him from me  
Never gonna let a girl get that close now  
I tell 'em eh babe don't too close now Come here baby, hey be my baby

Don't wash your mouth I I like it dirty
