

Hangar 18 (Remastered)

Megadeth

Welcome to our fortress tall
Take some time to show you around
Impossible to break these walls
For you see the steel is much too strong
Computer banks to rule the world
Instruments to sight the starsPossibly I've seen to much
Hangar 18 I know too muchForeign life forms inventory
Suspended state of cryogenics
Selective amnesia's the story
Believed foretold but who'd suspect
The military Intelligence
Two words combined that can't make sensePossibly I've seen to much
Hangar 18 I know too much
