Christofer Drew

Clickity clank, clickity clank  
The money goes into my piggy bank  
Clickity clank, clickity clank  
The money goes into my piggy bank  
I'll get at you  
My \*\*\*\*\* cut ya skin  
I'll get at you  
Blow \*\*\*\*\* at ya man  
I'll get at you  
2Pac don't pretend  
I'll get at you  
I'll put that to an end  
That \*\*\*\*\* is old, don't be screamin' get at me dog  
Have you runnin' for ya life when I match ya boy  
I get to wavin' that \*\*\*\*\* like it's legal  
A lil \*\*\*\*\* hurt his arm lettin' off that \*\*\*\*\*  
You know me, black on black Bentley, big ol' black 9  
I'll clap yo monkey \*\*\*, yeah black on black crime  
Big ol' chrome rims gleam, you know why I shyne  
C'mon man, you know how I shyne  
I'm in the hood, in the drop, Teflon vinyl top  
Got a 100 \*\*\*\*\* a 100 \*\*\*\*\*, why I don't hear no \*\*\*\*\*?  
That fat \*\*\*\*\* thought lean back was in the club  
My \*\*\*\*\* sold 11 mill, his \*\*\*\*\* was a dud  
Jada don't \*\*\*\*\* wit me if you wanna eat  
'Cause I'll do ya little \*\*\* like Jay did Mobb Deep  
Yeah homie in New York, \*\*\*\*\* like ya vocals  
But that's only in New York dog, yo \*\*\* is local  
Clickity clank, clickity clank  
The money goes into my piggy bank  
Clickity clank, clickity clank  
The money goes into my piggy bank  
Yeah, yeah, get more money, more money  
Yeah, yeah, yeah, get more money, more money  
Yeah, yeah, yeah, get more money, more money  
Yeah, yeah, yeah, get more money, more money  
Yeah  
Banks' \*\*\*\*\* sells, buck's \*\*\*\*\* sells, game \*\*\*\*\* sells  
I'm rich as \*\*\*\*\*

Shyne poppin' off his mouth from a cell  
He don't want it wit me, he in PC  
I could have a \*\*\*\*\* run up on him with a \*\*\*\*\*  
For just a few pennies out my piggy bank  
Yayo, bring the \*\*\*\*\*, I'm in room 203  
Freak \*\*\*\*\* look like Kim, before the surgery  
It's an emergency, on Michael Jackson, see  
You'll \*\*\*\*\* her and say she looks like me  
Kelis say her milkshake bring all the boys to the yard  
Then Nas went and tattooed the \*\*\*\*\* on his arm  
I'm way out in Cali, \*\*\*\*\* know you 'cuz  
First thing they say about you, you's a sucka for love  
This is chess, not checkers, these are warning \*\*\*\*\*  
After ya next move, I'll give ya what I got, yeah  
Clickity clank, clickity clank  
The money goes into my piggy bank  
Clickity clank, clickity clank  
The money goes into my piggy bank  
Yeah, yeah, get more money, more money  
Yeah, yeah, yeah, get more money, more money  
Yeah, yeah, yeah, get more money, more money  
Yeah, yeah, yeah, get more money, more money  
I'll get at you  
I'll punch out your grill
