## Say Goodnight

## **Beth Nielsen Chapman**

Say goodnight not good bye You will never leave my heart behind Like the path of a star I'll be anywhere you areIn the spark that lies beneath the coals In the secret place inside your soul Keep my light in your eyes Say goodnight not good byeDon't you fear when you dream Wakin' up is never what it seems Like a jewel buried deep Like a promise meant to keepYou are everything you wanna be So just let your heart reach out to me I'll be right by your side Say goodnight not good byeYou are everything you wanna be So just let your heart reach out to me Keep my light in your eyes Say goodnight not good bye Say goodnight not good bye
