Angels Don't Fly

Doobie

Hook:
I'm all out of wishes again, here I am. I'll be my only friend, hold my hand. Follow me into the darkness if you ain't scared. Ooo Ooo Ooo

Bridge:
Ashes to ashes, dust to dust - we all die one day. I want you to know- angels don't fly my way. I'm not okay yeah yeah... Ooo Ooo Ooo (Whispers in the darkness)

Verse:
I don't really care no more. My demons don't haunt me no more. I am not scared no more. Just me and myself on this world, don't need no one else in this world. I don't walk alone, presence unknown, follow me home - I'm walking with ghosts, but I don't walk alone. Or maybe the drugs that I'm taking are taking my soul.

Hook:
Bridge:...(I can hear the whispers in the darkness).
