

Redeemer

Preashea Hilliard

Leader

You are my redeemer
You are life to those who find you
And in the time when destruction wants its way
You are rescue to those who trust in you
(2nd leader repeat)

And so my trust lies in your strength
I've been redeemed by the love of my father
Redeemed by the hand of my savior
Redeemed, lovingly saved
Grace made it's way to me and I,

I've been redeemed by the love of my father
Redeemed, by the hand of my savior
Redeemed
Lovingly saved
Grace made it's way to me, and I,
I am redeemed

I'm redeemed, I'm redeemed I'm redeemed yeah,
I'm redeemed, I'm redeemed, I'm redeemed
He paid the price, so glad he saved my life

I'm redeemed, I'm redeemed I'm redeemed yeah,
I'm redeemed, I'm redeemed, I'm redeemed
Lovingly so, and grace made its way to me

And so my trust lies in your strength
And so my trust lies in your strength

I've been redeemed by the love of my father
Redeemed, by the hand of my savior
Redeemed, by the love of my father
Redeemed, by the hand of my savior
Redeemed, by the love of my father
Redeemed, by the hand of my savior
Redeemed, lovingly saved
Grace made its way to me and I,
I am redeemed.
