

# Sinner's Song

**Robin Trower**

Well I might be a sinner  
and I never was a winner  
Down in desolation  
till I find my vocation  
Found a real solution  
that's gonna end my mind's confusion  
Got my invitation to the final revelation  
Well I used to be a sinner  
and I never was a winner  
Down in desolation  
till I find my real vocation  
Hey don't mind my pillar  
I'm just looking for my Savior  
Goin' over Jordan  
I'm layin' down my burden  
Used to be a sinner  
and I never was a winner  
Down in desolation  
till I find my vocation
