

# Black Dog

Andrew Maxwell Morris

Iâ€™ll tell you a story about this black dog  
And how heâ€™s a friend of mine.  
He plays with my thoughts,  
And he comforts me.  
Heâ€™s with me all the time.

Well this black dog, he believes in me  
And he wishes me, all the best.  
And he takes me out, on a rainy day  
And he treats me like all the rest.

Woah, Woah  
Woah, Woah

Well this black dog, he waits for me  
Just when Iâ€™m feeling weak.  
This black dog, he locks me up  
And he tells me not to speak.

Woah, Woah  
Woah, Woah

This black dog, he looks up at me  
And he tells me Iâ€™m the one to blame  
Well I look back at him and I smile a little  
Because inside I feel the same.

Woah, Woah  
Woah, Woah  
Woah, Woah  
Woah, Woah
