IN EVERYTHING GIVE THANKS

Jeff & Sheri Easter, The Gift
Written by Sheri Easter and C. Aaron Wilburn

Chorus:

In everything give thanks,
with all your heart give praise
For the Lord we serve
will never let you down.

In everything give thanks,
with all your heart believe

That the Lord can take a circumstance
and turn it all around.

Verse 1

When you want sunshine to brighten up your day,

but you find the clouds rain on your parade;

Don't forget somewhere someone you may not know

is thanking God for a rain to make the crops grow.

Verse 2

When troubles trouble you
and you think life's not fair,

when you need someone
and there's no one there;

Remember all the times
that you feel alone
are the times
He'll use to make you strong.
