

(Ain't That) Good News

[Sam Cooke](#)

Oh my baby's comin' home tomorrow
Ain't that good news
Man, ain't that news
Baby is comin' home tomorrow
Ain't that news
Man, ain't that news I got a letter just the other day
Telling me that she was on his way
And she wants me to meet her at the station
Ain't that good news
Man, ain't that news In the letter she told me he still loved me
Ain't that good news
Man, ain't that news
In the letter she told me she loved me
Ain't that news
Man, ain't that news She said he's sorry that she left
Found out she don't want nobody else
She said he wants me all to herself now
Ain't that good news
Man, ain't that news Ain't that news
Ain't that good news
Man, I know that's good news
My baby's coming home tomorrow
Ain't that good news
Man, ain't that news I'm gonna have her a party at the station
Ain't that good news
Man, ain't that news
Have a party at the station
Ain't that news
Man, ain't that news And I can't wait to get her home
Where we can finally be alone
Disconnect my telephone now
Ain't that good news
Man, ain't that news Ain't that news
Ain't that good news
Man, man, man ain't that news
My baby's coming home tomorrow
Ain't that good news
Man, ain't that news Good news
Good news

Ain't that good news
Ain't that news
