# Into The Light

## Phil Stacey

It's the way of the world
It's the way of my heart
And it's something I cannot change
I'm a man who runs from the things that he loves
I'm a man who wants his way

Only You can save me
Only You can save me

From the inside out
From the outside in
Let Your truth and Your grace change me
From the man I am and have always been
To the man that You want me to be
From the inside out
From the inside out

It's the way of the world
Or the way of Your love
And there's nothing in between
I could walk either way
But Lord, I want to stay in Your love
'Cause that's what I need

Only You can save me
Only You can save me

A man who loves mercy
Whose word is true
A man who wants nothing
But to follow You, to follow You
